“ *Bud was proud of his service in the Navy as well as the Air National Guard. He was supervisor of the Avionics Branch for the 190th Wing and thus my boss from the late 1960s through his retirement in 1986. We had a lot of fun back in those days and I enjoyed working with him. Bud was involved in many of the KC-135 aircraft cockpit modernization efforts at the national level. Juanita and I will remember him fondly and ask God to provide comfort and blessings to his family. “ Bud was the Avionics Branch Chief & my first supervisor when I joined the 190th TRG, Kansas Air National Guard, in the summer of 1969. He was a good man & mentor and became a good friend all these years. Always good natured with a ready smile.

May the blessings of Heaven rest upon you, Chief, you have earned your reward.

“ *My condolences to Cathy and family. I shall miss Bud enormously after knowing him all these years as a friend and fellow retired USAF Sergeant. Bud was a quiet person, but one of great character and humility. God grant him rest from his worldly labors and trials of this world. RIP my friend.*
