

Ronald Farrell

September 23, 1940 - June 14, 2020

Ronald Clark Farrell 1940-2020

On the 23rd day of the month of September, Topeka, 1940, Ron was the first born to George Frank Farrell and Martha Clark Farrell. A Highland Park Rural High School graduate, Ron obtained Bachelor of business, Bachelor of education, Master of divinity, and Master of library science degrees.

After serving as Associate Pastor at Highland Park United Methodist Church, Ron answered his call to education, first at Eisenhower Jr. High, followed by 32 years at his Alma Mater, Highland Park High. In 2007, Ron was inducted into the esteemed Highland Park High School Wall of Fame. Upon retiring in 2008, The Ron Farrell Lecture Series Foundation was established in his honor.

Though committed to Mark Camacho since 1987, the two were allowed to legally marry in 2014. For 33 years, they collaborated creatively on many projects, giving generously to their community. Most noted among those events were 17 HPHS musicals, hosting numerous cast, faculty, holiday, and neighborhood parties, and opening their home/garden to CASA Home Tour, Mulvane Art Museum Dinner of Note, filming the introduction to Washburn University Vespers, and Topeka Beautification Association Garden Tour.

Ron will be remembered as an encouraging yet demanding teacher, a kind neighbor, attentive friend and a gracious human being. He enjoyed running (then later, due to old knees, walking), baking (especially for the holidays), dressing fastidiously, and hosting Mark's cabaret performances.

At 79, Ron died June 14, 2020, after battling melanoma cancer for 15 years. Ron is survived by husband Mark Camacho, sister Peggy Davidson and brother George Farrell.

According to Ron's wishes, he was cremated.

Due to COVID-19, his Celebration of Life was postponed to Saturday, July 31, 11a.m., at Kay's Garden in the Topeka Zoo. Ron's service will be streamed on Kevin Brennan Family Funeral Home Facebook page, beginning at 10:30 a.m. with the prelude. An on-site reception will follow the memorial service.

In lieu of flowers, contributions made to Topeka Community Foundation, 5431 SW 29th Street, #300, Topeka KS 66614, will fund a Westboro park beautification project. Please indicate Ron Farrell Memorial in the memo line.

Condolences may be sent online to www.kevinbrennanfamily.com.

“ To The Family of Mr. Ron Ferrell:

On behalf of the Topeka Public Schools District, we extend our condolences. We are deeply saddened and truly miss our former staff member and foundation board member, Mr. Ronald Farrell. Your family remains in our thoughts through this difficult time. As we prepare for a new year and prepare to attend the Foundation breakfast, Mr. Farrell is on the minds and hearts of us all.

Mr. Farrell touched many lives in his career as an English and Drama teacher for the district. His positive energy, humble spirit made any room come to life when he entered. He always wore a smile and looked to contribute to others in any way he could. He was one of the many smiling faces that welcomed me my first year and he always had an encouraging remark to share about others when I saw him at the Topeka Foundation board meetings. Even after retirement, he continued his service to students across the district as a member of the Topeka Public Schools Foundation Board and as an active volunteer.

While this pandemic has been difficult for all, and many memorial services this summer were private as a result, we wanted you to know that we love and miss Mr. Ferrell. His impact has changed the lives of the most vulnerable students in our community and his impact is everlasting on the staff and students that knew him. Please know that your Topeka family is thinking of you and your family at this time as we all reflect on the amazing legacy of Mr. Ferrell.

“ *The world is a sadder place without Ron Farrell's warm and uplifting spirit to cheer us. My family had the privilege of Ron's friendship over the years. First, Highland Park school days followed by Washburn years, and then Ron bestowed the special privilege of baptizing both of our children at Highland Park Methodist church. Later he visited us in London when he toured Europe. We were delighted to be in closer proximity when we moved from Houston back to Topeka in 2016. *All I can say is... well done. He would correct my diction and I took it...why because he believed in me and made me a better everything. When I came to Ron I was broken...writing was/continues to be difficult, yet he saw something and nurtured it in me. I dedicated my doctoral dissertation to him 10 years later thanking him for believing in me and teaching me to believe in myself always. Mark, I know you have such grand memories with him, cherish them...take care

“ *My sincere condolences to Mark and other family members on the passing of your loved one. He was a kind and gentle soul.*

I had Mr. Farrell for speech class in HS. When I would get up to give a speech I would inevitably start nervously laughing which would make my fellow classmates start laughing.

One of my fondest memories was when Mr. Farrell made the entire class turn their desks around so all I could see was the back of their heads, because I couldn't stop laughing. It didn't help, might have exacerbated it even, but it does bring back a fond memory of high school.

He will be missed.

Lovely tribute. Ron, Mr. Farrell, "Chuck" was my director and close friend from 8th grade at Eisenhower to Sr. Yr. at HPHS and beyond. Every time I direct a student, listen to a student's needs, hug a tearful soul, I remember he was there for me as a performer but more importantly as my dear friend. He is and will always be a large part of the best of me on and off stage. No better gift will I ever receive. Shine on "Chuck!" I love you. Your Diva

“ This tribute is by a student of mine, Megan Jolee Weddle, who found it difficult to navigate to this posting spot. I am posting it for her: "I just want you to know that you made such an impact on my life at Williams Magnet. You were such an amazing Show Choir Teacher and you helped me in so many ways to come out of my shell. I cannot even imagine going through the loss of your significant other but, I am so proud to know I was taught by an openly gay man. You have and will always be an inspiration to so many. I know that your husband, Ron would take rejoice in hearing that right now." Thank you Megan for your kind words.

“ I was a student in Mr. Farrell's class at Eisenhower, and Highland Park. As I sit down to write my tribute, I find myself editing often. It is the lasting impact of having a teacher who pushed us to pay attention to details. He pushed us to be excellent. He did not readily accept excuses. Through the 9th grade year I often found myself muttering under my breath when I didn't seem to measure up. But the validation that came from mastering the class at the end of the year gave me insight into my abilities and was transformational. He has touched the lives of many, what a privilege to have been his student.

My condolences to Mark, and other family members.

“ Ron was our youth minister at Highland Park United Methodist. He knew how to reach junior high and high school kids. He treated us like human beings. Gave us challenges and believed in us. He has always had a special place in my heart.

“ Mr. Farrell and I had the biggest argument after cast list went up one time. I asked him why he kept type casting me. I was always the fat friend, the wicked witch, or the motherly type. He said Megan I give you the roles that you can make bigger than yourself. He trusted me over and over again!!!! Tonight it's with a heavy heart I say farewell and thank you Mr. Farrell for making my love of theater bigger than myself. 💔💔💔💔💔💔💔 RIP

I will be indebted to this teacher who became a friend over the years. I'm so glad the last time we spent together was dancing & the admiration he showed for Marc was infectious. Thank you for teaching life lessons that have lasted beyond the years in the classroom. Thank you and rest easy now❤️

My 22 years working at Highland Park High School was always fun, adventurous, challenging with something new almost every day. One of my biggest challenges and new for me was Ron asking me to be in the production "Working." I told Ron and Mark that they had lost their minds and that i was not an actor. Well, after much debate, I ended up in the cast. That was the most fun I ever had. It was work and I wasn't sure I could remember my lines and act at the same time, but Ron kept assuring me that I could do it. He was an awesome teacher and lots of fun. I'm praying for you Mark.

“ Mr. Farrell was my teacher at Eisenhower Junior High and his classes were both fun and educational. I later would see him at HPHS and he always had kind words. A true gift to students he was and his legacy of service and the positive impact he had on the lives of others, speaks for itself. Rest well, kind sir. Rest well.

I had Mr. Farrell in high school as my speech teacher and I hated speech. He knew it and helped me get through to pass. He was a great teacher to many many students and I've never forgot him

I first met Mr. Farrell when he was the Associate Pastor at Highland Park Methodist and I was in high school MYF. Years later he taught my sons at Highland Park High School. In recent years we would run into he and Mark at various restaurants and enjoy visiting. He always remembered my sons and asked about them. He was a dedicated teacher and did so much for the school. We are so sorry Mark. Sympathy and prayers.

“ I had the privileged of being in 2 productions with Mr. Ferrell at Eisenhower. "Oliver", and "The Wizard of Oz" I played the wicked witch. He then transferred to Highland Park at the same time my class started our sophomore year. I then played the mayor's wife in the "Music Man". Mr Ferrell did everything with a sense of excellence. I learned so much from him about public speaking and stage presence. I believe it has helped me thru my life, and I will always remember him fondly. I will keep you and your family and friends in my prayers.

Ron was very special to my family. He worked with my Dad, Bob Langston (Minister) at West side Christian church. He was an Associate Pastor and youth minister in the early 70's. I was able to stay in touch with him and Mark through the years. He was a big influence on my life.
