“ *All you Smith "kids" (as I remember you) are kind, smart, and friendly. You will all go far in the world, and in my opinion, your father nurtured those qualities in you! I believe he is very proud of all of you! Continue to do great things in your lives! Love, Martha Heidebrecht*

“ *My condolences and words of reflection go out to the entire Smith family. Ronald was the glue that bound his children together; he helped guide them in making life choices and how to excel in life. Like them, Ronald helped me to make a tough decision early in my life. He said, "Eddie, you need to stop sleeping on my front room floor and go find a job..." His guidance and words of wisdom that he bestowed that day 19 years ago became very clear, it wasn't a recommendation. Ronald you will be missed.*

Very respectfully,

Edward Fry III, Engineman Chief Petty Officer, USN
