“ *I didn't comment when Ron first passed away. I was friends with him in the 70s, didn't hang out with since then. So I guess I didn't really know him anymore. After watching the tribute video it brought back memories of Ron's personality. He was such a kind stand up guy and he was probably the most sane guy out of the others I hung with, including myself. Haha! I remember his laugh now. A good soul.*
