“ *Roger, Colby and Corey,
I am saddened by the news of Rose. I will always remember her trying to get Colby to take his vitamins. She would stuff a bag of them into his coat pocket before we would go out. She was a wonderful woman who will be missed greatly. You are all in my prayers.*

“ Roger and family, Rosemary always had a smiling face and an upbeat sense of humor - that comes from a loving family. She spoke about her family often, always showing her devotion and care and especially talked about her wonderful grandkids. I know she is looking down and keeping a watch on all of you.

She was so caring and giving, and always made every day special and a joy when she was around. The way she looked at life was always fascinating and positive. “ I worked with Rosemary at the Board of Healing Arts; and, although I was in another department at the board I was always happy to see her - for each time I did she always put a smile on my face. I will always remember her huge smile. The picture of Rosemary in her obituary shows that wonderful smile very much. God bless and comfort the family and may Rosemary rest in peace.
