“ *We always had so much fun when ALLAN and I went to Oakley. We will go to your parents house and your mom and dad just felt like they were part of the “crew”. They put up with a lot of our shenanigans and usually with a smile. Ross will always be remembered as loving and caring and missed by those whose life he touched. I'm sure ALLAN was there to greet him with one of his big bear hugs! 💙 🖤 💙*

“ Sorry to hear about Ross. I met Ross when he lived in Bunker Hill, KS. I was 18 at the time and he helped me get a much needed job with the state highway commission of Kansas. The office was in Russell, KS and it was during the early '60 and I-70 construction was going strong. Always got a kick out of Ross's sense of humor and he always seemed to keep an eye out for me at work. There's no doubt Ross will be missed.
