“ *To Ruthie's children, Mary, Fred, Ralph and John,*

*I have such fond memories of Ruth. One of the most vivid was a day she was visiting our home and she and Richard (my brother who was in her class) decided to run a race the length of my Mom's garden. Not sure how long my Mom's garden was, but it was probably 75 to 100 yards. I was probably in 6th grade and they were in 10th. They talked me into racing with them. I do not remember who won, but I was left in the dust!*

*Ruth broke her leg one year and I remember her rocking back and forth in the bus seat to stay comfortable. She was always happy and smiling.*

*I extend my sympathies to all of you. May fond memories of her bring you comfort.*

*The other Ruth from Prairie Home, Ruth Ann Zey Wittenberger.*

“ To Ruth's children and grandchildren,  
Ruth was a classmate and close friend of mine for many years at  
Prairie Home High School. I remember how she could run like the  
wind, and no one could keep up with her. She was fiercely  
competitive in sports, and yet always loyal to her friends and  
classmates. I missed her and John so much when they moved to  
Kansas. My prayers and sympathy to you because I know you will  
miss her so much too. But we all know she has joined the angels in  
Heaven and we wouldn't take that away from her now.

“ Ruth was a dear friend since school days and I will greatly miss her.  
She was a true friend and a spunky lady. I always admired her grit. I  
offer my sincerest sympathy to all her family. May precious  
memories replace the sorrow in your heart. ~Teresa Kirchhoff

“ *To Ruthie's children, Mary, Fred, Ralph, and John,  
It is great sadness that comes with the news of the passing of Ruthie.  
I have man fond memories of Ruthie. She played a trick on me, a very young, green, first year teacher on the first day of school. Ruthie was always very jolly with a great personality. When she played basketball she would hit the floor diving for a loose ball. It was a wonder she did not hurt herself. This was about 57 years ago and I remember her so well.  
She was a great person and I'm sure she is directing the angels in heaven today.  
Sincerely, Duane Brodersen*

“ *Sarah, Mark, and Brian--My deepest sympathy in the passing of your mother. Aunt Ruth was such a fun-loving lady. She had a hearty laugh and loved to tease when we were together. Our family get-togethers will never be the same. Know that you are in my thoughts and prayers.*

“ Brian, Sarah, and Mark, I am so sorry for the loss of your mother. Brian, I remember her so well from the time we spent in school together and also working with your mother at Stuckey's. She was truly a fun-loving and witty lady! She always made the breakfast shifts at Stuckey's lively and entertaining. You all have my condolences and prayers.
