“ *Aunt Ruth's sense of humor as well as her ability to provide insightful thoughts on life have always caused me to love and respect her. In her latter years, she and my mother (Aunt Sue) shared many enjoyable telephone conversations about their children, grandchildren and other common interests. We are so thankful for her love for my mother, our family and the families of my brothers. This was her great gift to us and now it has become her legacy that will stay with us forever. “ *Sue, Paul and I stopped in to visit Ruth a few years back on two different occasions and had a wonderful visits each time. She also gave me several family items including a photograph of Dad in his aviator gear. Priceless memoirs!  
Our sympathies and thoughts are with all Ruth's family at this time.*

“ If a person should die, can they live again? Hear the promise God has made. He will call, the dead will answer. They shall live at His command. For He will have a longing for the work of His own hand. All those who in God's memory stay, from death (sleep) He will awaken.
