“ *Always inquisitive... curious about things... She knew I was a librarian and would call over and ask me questions about historical events, foreign languages, etc. A great neighbor who loved to tend her garden/lawn. We will miss her.*

“ Mrs. Fisher was my Home Ec teacher at Rossville High School. Then when she changed her teaching focus my two sons were fortunate to have her as their kindergarten teacher at Maple Hill Grade School. Always enjoyed when we would meet in passing at the grocery store mostly in Topeka. Our sympathy goes out to her family.

“ We enjoyed square dancing with Ruth. She was always smiling and fun to be around. Also after she quit square dancing, we would enjoy visiting with her at the travel shows at Washburn University. Our sympathy to her family.

“ Mrs. Fisher was my Home Ec. teacher at Rossville High. I LOVED and respected her as an instructor and person, always supportive and fun Mrs. Fisher was "with it" back in the 50's and in 1961 when I graduated. Clearly, she loved being a Mother and often spoke of her two young daughters. Throughout the years I fondly remembered her and often wondered how she was and where she lived. Rest In Peace, dear Mrs. Fisher. My deepest sympathy to you her family.

“*Ruth is the last of the post-war bridge club that my parents, Don and Genevieve Taylor, belonged to. I have fond memories of gatherings where the group of couples:the Rices, Stevicks, Hohmans, Fishers, Voses,and others would setup card tables and have a canasta or bridge party. All families had kids of approximatly the same age. Ruth was definitly part of the Greatest Generation! She will be fondly remembered.*
