“ *Paulette, Duane and Sheryll and all of your families:*

I was so very sorry to hear of Pauleen's passing. I know it has been years since I have been in touch with any of you but I will always fondly remember Pauleen driving me to and from Stafford and listening to Country Music on the radio. And playing Tripoli and other card games with her. Just spending time with her was such a great blessing and a gift.

I am truly sorry for your loss. Take care.

“ *Paulette, Barbara, and Pauleen's family-*

We are so sorry to hear of the loss of Pauleen. She was such a caring person, and was always willing to help others. We send our prayers for peace during your time of loss. Just know that we are thinking of you. I know that her love for her animals was so fantastic, to be a spoiled fur baby for her would be heaven.
