“ *Julie & Lisa-*

These past few days, weeks and months have been stressful as well as wonderful. We have spent quality time with our mother as well as each other. Even though we are all sad with the loss of mom, we have to rejoice in the fact she is no longer suffering and her and dad have met again in heaven. Please remember the love that our parents shared with us and we for each other. We have been there for each other, even when times are rough. Sit quietly and dream of the love we had here on earth with our parents and the day we will be with them again. Always remember, the 3 of us have been there for each other. Let God heal the hurt, sit and smile, They were so proud.

“ *To you girls, you (3)! did a wonderful job. To have to put this together with nothing to go by... how you felt for your Mother showed through. You girls still have each other. Put everything else aside & hold onto each other. Don't wait till it's to late. Tim & Jerry*

“ To Ruth's kids, we were very sorry to hear of Ruth's death and wish we had know she had been ill. She always made a lovely and friendly addition to the Breeding family dinners. I always thought Gilbert had married a really nice woman. Please be assured she will remain in our prayers as will all of you.

“ Mom, No words can express the sadness I feel when I see the hurt you are going through right now. You were so strong throughout Grandmas illness and I am sure she appreciated every single thing you did for her. You are the rock that has kept this family together but now is our turn to be your rock. Please know from all of us girls, Morgan, Michelle and myself we are here for you day or night. We love you so much.
