“ *I did not personally know Salvador Benavidez-Quirarte but I know and work with his son Michael. Michael is loving, smart, considerate, kind and funny. He loves his family very much. I believe Michael is a reflection of the kind of man he was taught to be by his father. I have three boys and I very much appreciate the kind of father Salvador must have been. Salvador's real legacy are the people he touched and the children he raised to carry on his values and influence the future - a life well lived with the right priorities, family and The Lord, Jesus Christ. My thoughts and prayers are with his family.*
