*I can't express in words how much I enjoyed and loved Sandy. I have lots of memories from way way back. I knew all you kids when you were little. She adored and loved all of you. She was full of fun and laughter. I had her babysit my oldest daughter when she was younger and when picking her up at the end of my day was always so pleasant. Sandy always had story for me and laughter. She was a true joy to be around. God bless you and wrap his arms around you. Your momma is at home, with your dad, her parents and siblings. My heart goes out to you all. Love Carol(Simons)Main*
