“ *Sending hugs to the whole family as I remember Seth. He was the happiest baby I've ever seen. He smiled all the time and was so content. Since he became the world's biggest fan of noisy toys, it makes me smile whenever I experience one because I think of how much he would have liked it.*  
*Love, Deanna*

*Seth started my day with his noisy toys and balloons. He loved showing his new balloon daily. His smile would light up a room. He will be greatly missed.*  
*Prayers to Seths family and extended family.*
