“ My deepest sympathy. Sheila and I went to Shawnee Heights high school together. I will never forget her soft voice and tenderness. My #1 memory is when Sheila wanted to be Blood Sisters and she pricked her finger then mine and said there now we are sisters! Rest in peace my Sweet friend. Debbie Lindbloom/Willis

“ It's Lois, I love you Sheila, my sister from another mother.

I have not seen this picture in a long time, thanks for sharing, it reminds me of when we meet.

I had the honor of working with Sheila for the State of Kansas in 2002 and we had been friends every since.

All of my family knew her and cared for her very much. We been there for each other for lots of occasions, birthdays, weddings, anniversaries, surgeries (hers and mines) and deaths.

Sheila was a good person and I will miss her humor, kindness and generosity. It is good to know she is at rest now with the ones who loved her the most, she could not wait to see her grandma and grandpa (mom & dad) and daddy again, she talked about them all the time.

I know she will be there for me when it is my turn to go.

Lois & Tyrone Wilkins and family.
