“ Dear Ed. Rich and I were so sorry to hear of Sherri's passing. We had no idea she was ill and only learned of the news the day before yesterday. Right after Rich and I started dating you and Sherri invited us to a get together at your home. We had a wonderful time and you both made us feel at home. I remember Sherri giving me a tour of the house and all her collections. Sherri was always extremely warm and very very nice to us. Please know you and your family are in our thoughts and our prayers. Love Shirla and Rich.
