“ *I worked with Stacy for 10 yrs. We often talked about our kids when we saw each other. I loved the brief times I would get to see her in the office and visit. She was such a lovely person. She will be greatly missed.*

*Stacy was a beautiful soul and she definitely had a strong faith! We went to church and sang on the praise team/choir at Together in Praise! And then I worked with her at Midland Care— supplying what she needed to the clients she faithfully and lovingly served! Her infectious smile and laugh will be missed! Heartfelt prayers to her family, friends, co-workers and clients/patients! Sending peace, strength, comfort and love your way!*
