“ *To Stanleys family and friends,*

Stanley was a man of few words but could get his points across by faces and gestures and was viewed as a warm hearted soul who touched everyone's lives in a happy and positive way. I wish he would have known how much we all loved and cared for him and how much each of us will truly miss his presence. RIP buddy till we meet again and watch over us all. Love ya and miss ya! Shawn aka Heartbreak Kid as you had me saved in your phone.

First off condolences to the Keeling Family in there time in mourning. I was introduced to Stanley from Jose'. From jump I knew he wasn't the type for nonsense, but a real "REAL" gentle giant. He was a protector and trully a good friend. I am flad to have known Stanley, gone but NEVER forgotten. Goodbye for now, but we'll laugh, toke, and play bones again one day. R.I.P.
