“ I was looking for Steve today. Decided to do a search and found this page. Steve and I spent a great year and one half together. Did Steve ever reveal he stood on the North Tower of the Golden Gate Bridge in San Francisco?

“ Janice, Janet, Chad & families - I still can't believe my friend is gone. I can only imagine the reunion in Heaven with Hub, Steve & my Jim. I always looked forward to when Steve would come to Hastings to see his mother. He would call & we would go out for a cup of coffe & reminisce. He also would give me some new photos that he had taken. He knew how much I loved his photographs & his talent! What a special gift he had. Steve was one of Jim's friends that didn't fade away after Jim died. It was fun to call him on our mutual birthday & I would always remind him that he was older than I was! Truly a privilege to have known Steve, my dear friend. God's blessings to all who knew & loved Steve.

“ We were saddened to hear of Steve's illness and passing. He was a great guy, with tons of energy and love for all he knew. We especially loved watching the Bart Plasterson Gang in which Steve was a member of, at the Cowboy Church where we attended for several years. Steve, you were loved greatly and we will continue to pray for Janice and your family during this difficult time.
