“ Mr. and Mrs. Norman, Penny and Miki,
I just learned of Steven's passing. I want all of you to know that mine and my family's thoughts and prayers are with all of you at this very sad and difficult time. Your family is very special to me. I have so many wonderful memories of spending time in the summer at your farm and having Penny spend time with me at my home. I love you all very much and wanted you to know that you are on my mind and in my heart. Please don't hesitate to contact me. Love, John, Cynthia (Callahan), Jesse, Josh and Amanda Kratina.

“ I remember riding mini-bikes with Steve, and a friend who always had a smile on his face, even when getting into trouble (just during childhood). During childhood, I always remember having fun and good times with Steve and his family. Steve was a wonderful childhood friend. My main regret is that I lost contact with him over the years. To Mr. and Mrs. Norman, Penny, Miki, Michelle, Diana, Sara, Denali, Jatou, Brianna, and Camissa, please accept our deepest sympathy in the loss of Steve.
