“ *So sorry to here this. We had a great childhood together riding bicycles and renting motorcycles to tear up and pay for when we returned them. Short time of that because we were broke from paying for repairs. Playing basketball at MPH and listening to his high end stereo at his parents house was huge part of our lives together.
Prayers to the family.

“ *I can still see Steve's uber cool blue schwinn sting ray, slick tires, banana seat, butterfly handle bars. We had great fun in our grade school years. Peace to Steve and his family.

“ Steve & I rode bikes together, "adventured as kids, and he helped throw my paper route when I was on vacation or sick sometimes. His sense of humor was as quirky and witty to match the best of our class, something our teachers failed to appreciate fully. Our paths separated after school to my regret. In my mind he is happily riding around on 18th street before our next ride to whatever would happen next! He will be missed!

*Rest eternal grant to him,
Your servant, my friend, Steve, O Lord;
And let light perpetual shine upon him.
May his soul, and the souls of all the departed,
through the mercy of God, rest in peace.
Amen.*
