“ Our Susan is still with us – silent she is not. She leaves with us her smile her warmth her love , and her family. We have all learned many lessons from this remarkable woman.

1. Love deeply and unconditionally
2. Give all you have to give – at all costs
3. Smile when you are hurting
4. Put family and friends before self.
5. Be there at every function
6. Hold your arms out to hug everyone who  
Needs to be hugged
7. Beauty comes from within and what a  
Beauty she was.

We will always remember our Susan for  
Our lifetime
