“ I have so many memories of mom, but after becoming a mother myself I truly understood what a fantastic mom we had. She was mom not only mom to Ed, Steve and I but also to our friends as she was the stay at home mom of the neighborhood and she really enjoyed all of the kids being at her home. She was the same way with her grandkids - she didn't want just one or two at a time. If she was watching one of the grandkids she wanted them all. They loved her just as much as she loved them. She was so proud of her great grandson. We were so blessed to have her as our mom and grandma to our kids. Love you mom.

“ *Our thoughts and prayers are with you at this time of sorrow. Sylvia is in a kinder gentler place having a ball with those who have gone before.*

“ *I first met Silvia and her family when they moved to Sunset in 1968 and spent years at their house. As a stay at home mom she was a mother to all of us, as well as a friend. I will miss her.*
