“ I was Tammy's work wife. Always kept her on track. She was a true joy to work for. She had a minute to talk about anything. She was my shoulder to lean on when I was diagnosed with breast cancer. She knew how to be a boss and a friend. She will be dearly missed. Rest easy my friend, until we meet again.

“ Tammy was a kind and beautiful soul, friends for close to 40 years. We went through many years of uncertainty. Tammy was always there to support Tina and I no matter what. Whether it be a man problem or just differences between the three of us. “Friends we will always be,”is what she said to us all of the time. She was a great woman and a better friend. Tammy is loved and missed very much!

“ I had the absolute pleasure of working with Tammy at Stormont Vail for a little over a year now. She was the best manager in every way you could possibly ask. Her kindness and compassion showed in every conversation we had. She really cared about the ladies on her team. We had some of the best conversations about our children and our parents, and I will miss those talks very much! She truly was a wonderful person and I am so saddened and shocked at her passing. Prayers go out to her girls and her family. We will miss you Tammy 😭

Much sympathy and many prayers to all of her friends and family who will grieve her loss 😞 Especially her daughters who lost both parents in a very short time. Taken too soon! Tammy and Deron both! God is always in control even when we don't understand. The grief will remain always, but we will pray it becomes bearable. From Clint who served with Darron and Mary who knew Tammy to be a wonderful lady. I know many will miss her ❤️🙏

“ I can't believe she's gone, I had just worked with her not too long ago on an issue at the hospital. She was always so kind and one of the few people that after the issue was fixed would stay on the call to chat a little.
