“ *You don't know me, but I know what you are going through. I lost my baby son Colton on January 14, 2006. It's been the hardest thing in my life to go through. Know that you and your family are in my thoughts and prayers. You may have held your sons in your arms for only a moment, but you will hold them in your hearts forever. Feel free to email me if you ever need to talk.*
