“ *Tony was one of my closest friends through Grade School and High School. I have many positive memories of the time we spent together and the many fun things we did together. He was the best man at my wedding and I at his. He was always an incredibly caring, giving, happy and fun person. No one could have had or asked for a better friend. The world would truly be a much better place if there were more Tony Marks in it. His school classmates will miss him dearly and cherish the moments we spent with him.*

My deepest thoughts and prayers go out to his wonderful family.

“ *One of the last things he did was help me with a networking problem. He was at work 3 days before he died. The last thing he posted on Teams was,*

"Any time sir!" - 11/18 3:49 PM

Any time, Tony.

Eternal rest grant unto him, O Lord, and let the perpetual light shine upon him.

“ *Anytime there was a problem with the network at Washburn University, I knew I could reach out to Tony and he would resolve the issue. We would joke that it was never the network that was the problem. Tony always had a smile and a comment when we passed one another on campus. Rest in peace Tony.*

Condolences to his family and friends.

“ *I worked with Tony for many years at Jostens and he was a great guy. He was always up for making you laugh, unless you got between him and his afternoon Snickers bar. Tony loved to talk about how proud he was of all of his kids, and the love for his grand babies was huge I used to tease him about the bedroom he left pink for all those granddaughters. My condolences to the entire family on the loss of a great man. Tony, I hope their are Snickers bars in Heaven my friend.*
