“ *The Topeka paper said that Terry graduated from Topeka West in 1963. We had a Terry Hoss in our graduating class from Wichita West in 1963. Could this be the same person? Either way, please accept my sympathies.*

“ *I have known Terry and Melba for almost 40 years through the Topeka amateur radio club. We worked together on many projects over the decades. Terry was always the first to volunteer to help with communications when they were needed. We were officers in the Kaw Valley Amateur Radio Club together and he will be missed.*
