“ *David and family we are so sorry for the loss of your mother. She was a wonderful person with whom we had fond memories. She was good to Yoshi. We visited her the last week in May with Communion and saw she had fallen and intended to return later in day but we lost a close friend and became busy and did not think she would go so fast. Our sincere condolences and prayers in Christ's name. If there is anything we can do give us a calll.*

“ Jeanette & Jim, David, James & Marje,

I am so sorry for your loss. I remember my Aunt Jean as one of the sweetest, quirky, loving women I knew. Growing up with all the cousins and coming to your house is a fond memory for me. Jean was a great seamstress, cook, and baker. She made doll's clothes for my Madame Alexander doll and all my friends were jealous because my doll had custom clothes! I also remember one birthday for either David or James when she baked a wonderful cake (maybe German Chocolate??) and whoever it was meant for never liked that kind of cake. But Jean took it in stride, even though I think there were tears involved by the cake's recipient, and it became sort of an inside joke.

I hated that I lost touch with Jean and we only kept in touch with Christmas cards and an occasional phone call or visit. She always wrote what was going on with her and the family on Christmas cards and I loved reading them.

I'll always remember Jean the way she was when she was happy and well. I'm positive she's in a much better place now and I know she believed that, too. She passed away one day after what would have been my mother's 89th birthday, 17 years ago. I wish I had been as fortunate as you all were to have your mom that long and I'm sure Jean and mom will see each other again in heaven.

My girls and I are making a donation to the Alzheimer's Foundation in Jean's memory. I hope that some day this horrible disease will be cured.

I am going to try to make it to the service in Topeka, but if I cannot make that happen, just know that I am thinking about, and praying, for all of you.

*With love,
Connie*
