“ *Jim & Family, I can't remember when we met but I think I helped you buy or sell a home at some point. But most recently we greeted each other with a howdie and a handshake. I was playing 50's and 60's music as a "Baby Boomer" at the Classic Bean. We always spoke if only briefly. A loved one loss is always painful. May your memories always remind you of her smile.*

“ I met Thelma when we were both going to interviews for Man Power Temp Agency and worked with her for a short time at Health Wave. We instantly started a friendship that included our husbands. We moved away to Florida but still maintained our friendship. The one thing we both shared is our birthdays were in March and born in the same year. She will be missed by many and I look forward to a reunion in Heaven one day!
Faith, Hope, and Love to Jim and family at this time.

“ Thelma was one of the nicest, friendliest people working at Bell. She was usually smiling, even while working the operator board. I can remember listening to Thelma and Tina at break time laughing about some of their escapades. God bless you all.

“ I will miss my sister-in-law deeply and daily. She brought so much love and joy into this world, and she will be missed by so many. She had a love for a good laugh and we shared so many of them. So many good times. She made the best egg noodles and taught me how to make them too. She always had a listening ear, and a tender heart. She fought a good battle and is with the Lord...Love you T and will miss you with all my heart.

“ We are so very saddened that you have lost Thelma. She is safe with the Lord now and no more suffering. We will always hold her in our prayers. She was special to me -- like my own little sister. I am so proud to have had her in my life. May your grief be eased in the knowledge that she is in Heavenly Peace.
