“ Theresa was my first boss at the age of 16 when I started at SWB. She provided me with the opportunity to excel, become the best I could be and promoted me into management at the young age of 20. She was a very beautiful, gracious, fair person that we all respected very much. I am so sorry for your loss and prayers, peace and blessings to her family.

“ To My good friend Theresa's family:  
So sorry for your loss.  
One of the best memories of her back to when David was a little boy was her unending love for him. Up I  
Until I saw her two years ago it was to say how Her beloved David and family were doing.  
God bless her memory.
