“ *Clara--I was saddened to read of Tom's death and wanted to extend my sincere sympathy to you and your family. It was just about a year ago that I ran into Tom when I stopped by to ask about a carport that was on a car lot and found him and his son there. Was surprised and pleased to see him and we caught up a little on what had been happening with you and your family. And, of course, we had to talk golf! I regret I did not catch the obituary in time to make arrangements to attend the services. Again, I am so sorry for you and your family. God Bless!*
