“ *So sorry to see about the passing of Tom. Our parents were very good friends. His dad had a sense of humor that was second to none. A lot of great memories with Dick and Millie. I never got to thank Tom for the great home movies Tom made available on YouTube. I was able to see my parents and all their friends in their earlier years. I heard a lot of stories from those days, but had never seen any of it.*

Thank you Tom for those memories. If you get a chance, tell my parents hi for me.

“ What I will always remember about Tom is how he stepped up and adopted his grandkids. That action speaks volumes about his character and the type of man he was.

Yes, I will always remember that day when they decided to take them from us and when I told Tom, he didn't even think for a second. He said, "Get a lawyer" so I did, and she was the best.
