“ *Jean and Family...Thank you for the telephone call Sunday, we hated to hear the words of Tom's death. We often reminisce about Tom and his tour of duty in the Navy here in Long Beach. What wonderful memories we have of that time with those beautiful eyes of his and that contagious laugh, but most of all the midnight grilled cheese sandwiches when he was in port. Our prayers for you and the family that God wraps his loving arms around you and holds you close to his heart. Rest in peace Cuz..Love you guys, Mary Catherine Pieper and Joanne Noel.*

“ We bought some property next to Tim and Cindy and one day I was out there clearing some trees and brush for our driveway. Tom stopped and started right in helping me. I said Tom you don't need to that. He said I don't have anything else to do for awhile and kept working. That's just the kind of person he was. We will miss his sense of humor.
