"April 04, 2013

I was shocked and share in the grief of family and friends. Todd was an exceptional young man and I loved him from the first time I met him. He was so very special. He was the kind that leaves foot prints on your heart forever. I wish there were something I could do to ease the pain of losing him in such a tragic way. I know we all will miss him terribly, but all I can do is offer my prayers, love and thoughts to all the family and friends. It was an honor to have known him.

Please feel free to contact me at any time. I want to be there for you as long as you want me to be. marg.o@sbcglobal.net

My love to all.
