“ *I'm so sorry to hear about Tom. I was a neighbor of his and also got to know him when he came into Heinen Repair where I worked at. I do not know how many times I gave him rides home when he dropped equipment off there to be worked on, or how many times he would stop to give me a ride home, so neither one of us would have to walk the mile home. Even though it was as simple as that, it was more than our other neighbors did.*
