“ *Dear Mr. Hudspeth, I am one of your Meals on Wheels deliverers. When I read about Dr. Hudspeth's death, I wanted to send you my condolences. You had discussed her health problems with me on several occasions. Death is such a difficult parting, but when life is no longer sustainable, it comes as a blessing. I will return to delivering meals on Friday, 25 May and perhaps I will see you on my route then. My sincerest sympathy, DR. BART RAMSEY*
