“ He was a beautiful little boy. I'm so sorry that I won't be able to attend the services, but I'll be saying my Rosary along with you on Friday evening. I'm sure you all feel him there with you... I know when my Dad died I could feel his presence with me for quite some time. It was very comforting! God Bless you and may Mary keep you in her heart always...

“ May the good lord give you all the strenght of spirit and body it takes to deal with the loss of a dearly loved one. This is the time for you to lean heavily on the Lord and all the friends of the family and by so doing, this time of pain and sorrow will pass as quickly as it came upon you. God bless and protect you all. Accept my sympathy.

“ I was Trystan's nurse at Auburn Elementary for 2 years. He was a sweet, happy little boy who could always bring a smile to your face. The children loved him and always made time to talk to him. I am very sorry for your loss. He will be missed by many. I can only find comfort in believing that he is in a much better place where he is no longer confined by disability, a place where he can do anything he wants. Knowing him has enriched my life and I am grateful. You are in my prayers.

“ My prayers go out for you all. I am a fourth grade teacher at Trystan's school and I wanted to let you know what a positive impact Trystan made on everyone here. The children have shared special memories of Trystan and claim him as their friend. He will be missed, but through their sadness the children continue to celebrate the fact they knew him. He was a special child who will have a special place in our hearts.
