“ *Gib and kids, I am greatly saddened to hear that we no longer get to enjoy the love and support of Veda in this life anymore. Words cannot tell how sweet and loving she was to me and my family. I miss her greatly. However, I rejoice for her victory won and that she is with her Savior forevermore awaiting our arrival. Gib, I'm sorry friend. Here's a hug and a sticker of love!*

“ *At this sad time may it bring you gentle comfort to know that others care. May it help you to remember that friends are always there. May the love and strength of family help you face tomorrow, and with time, may quiet memories help ease your sorrow.*
