“ Craig & Chris, we are so sorry for your loss. When you all moved into the house on the hill from us, we were very happy to have you as neighbors. The music concerts and parties you all had were so much fun. Dad, Don Hoback, loved talking with your dad. He found a friend close to his own age right up the hill and always enjoyed the conversations and knowledge they shared. He still has the metal work your dad made for him and still tells everyone that comes by that his friend Jim, made the buffalo at the top of the drive. He is heart broken at the thought of the loss you all are experiencing now and wants you to know how very sorry he is. He is very proud to have had such wonderful friends for over 38 years. He said to tell you if there is anything he can do for you, please call him or stop by.
