“ *Vernon and Sherrita, I am very sorry to hear about the loss of your father. Although I never met your father through all of our years in school at Boswell and Topeka High, the type of people you two are, I know he was a very good spirited person. Keep God by your side and rest assure that God will get you through your time of mourning.*

“ *Carol, I am so sorry to hear about Vern. Both of you are very special people. I am blessed to have met both of you and work with Vern at your home. Vern was such a hard worker and one of my favorite patients. I will be thinking of you and praying for you. Vern is in a better place where he can not only walk again but also run.*

“ Carol and Family,  
There are times when words cannot express what we feel. And the little ways we try to help seem so small. Yet somehow through the love and prayers of friends, moves the almighty hand of God. May God hold you in the palm of his hand and comfort you with everlasting love.  
May these words of comfort in some way serve to show that others care and share your grief more deeply than you know.

“ Carol, I am so very sorry that Vern is gone from us. I know this has been and is very hard on you, so I'm praying that GOD will give you all the strength you need to get through the days ahead. I know you are and will miss Vern very much, but I believe he's in a better place, free of pain, no more illnesses, just peace. Please pass on to your family that you all have my deepest sympathy.
