“ Vicki was a dear friend for many years. Strong, generous, and so funny! She served the Christian Science Association of William Ansley Students for a number of years in different capacities and we are so grateful for her thoughtful and gracious support. We are confident and grateful that she is dearly loved and cared for by her Father - but we will miss her!

“ Vicki will be missed but, most importantly, she will be remembered by those of us who knew and loved her. Her willingness to help, coordinate, act, listen, etc., defined her joy for life. We know that she has moved on to a better place.

“ Vicki was my closest neighbor. We would go to the Wednesday night Church service at First Church of Christ, Scientist and then go for ice cream after. We had some good, interesting chats, and fun.

“ Vicki acted as the agent when I sold my house in 2009. She was most helpful and gracious, and made the whole process go without a hitch. After I moved, she kept in contact to see how I was doing. A truly nice lady.
