

Vickie Martin

September 19, 1959 - June 13, 2025

Vickie Lynette Martin, 65, passed away Friday, June 13, 2025, in Topeka, Kansas. She was born on September 19, 1959, to the union of Donald and Bonnie Hall in Pueblo, Colorado. Vickie grew up attending First Methodist Church with her family and completed her schooling at Centennial High School in Pueblo. She soon got married and had two daughters, Ann Marie Pebbles and Angie Lynn Michelle.

Vickie was a very kind and generous person whose kindness was always beaming. Always smiling and quick with laughter. She added a certain ray of sunshine to your day that was incomparable to the sunniest of days. She worked in the healthcare industry as a housekeeper for over 15 years and in the restaurant industry as well and would receive unexpected gifts often from her very pleased customers. These gifts reflected her kindness and the thoughtfulness she had towards her customers. Vickie moved to Topeka and met Robert Martin; they later married. She was very close to her two brothers, Randy Hall of Topeka and Brian Hall of Colorado.

Vickie is survived by her husband, Robert Martin; daughters, Pebbles and Angie; brothers, Randy Hall and Brian Hall; and several nieces and nephews.

Vickie is preceded in death by her parents, Donald and Bonnie Hall.

I got to know Vicky through McDonald's. She and I always spoke, at work and on messenger after she left McDonald's. My condolences to her family. May all the good memories you had with her bring you some comfort.

Vickie and I were friends for 60 years. She had her share of ups and downs and somehow got through each event with her belief in God. She was a kind soul but also learned to stand up for herself. I will miss our weekly phone calls and messages checking in on each other.

“ *To Vickie's Family,*

I am so sorry to hear about Vickie's passing. I had the chance to get to know Vickie when she worked at McDonald's on South Topeka Blvd. Vickie was always so helpful to customers but was a person that everyone enjoyed working with at the store. She was kind, patient and genuine in the way she treated others.

*Please accept my deepest condolences,
