“ *Art we are so sorry about your daughter. We know that you know the Lord and He is your Rock, but still sorrow comes when a tragedy happens. May God give you special comfort and encouragement. He knows you are hurting and He hurts with you.*

“ *Pat,*

My heart is with you in your time of pain. If there is anything I can do, please let me know. I will always love Tori and treasure the time we spent together playing, as kids. I know Grandpa and Grandma are taking care of her now.

“ *Tori was more than just a regular person. She had an energy about her that you just couldn't ignore. You couldn't help but to love her. She has left a void that couldn't possibly be filled if it wasn't for God's love and compassion. My thoughts and prayers remain with her family.*

“ *Mrs. Saracyeski,*

I am so sorry that this tradgedy occurred. I firmly believe that their are future plans for her in heaven. She has left the safety of your arms and entered the Lords. She will always be held deep in the hearts of many. When you are out looking at the beautiful nature and taking pictures she will be all around you.

Love Always Regina
