“ *Lucy, Joan, John, and Lucy Ann-*

I'm so sorry about your dad. He was such a fun loving person. I still remember when he drove our pick-up with the RV behind it back to MN. He was so funny..he had me, mom and shane roaring!! I hope you know that you all are in my prayers as well as your dad.

*Love,

“ Dear Lucy, Joan, John, and Lucy Ann,

It is with deep remorse to learn of the passing of my Uncle Vince. I can still remember growing up as a little kid and doing things with my Uncle Vince. I can still remember at Grandma's going up to his bedroom and seeing all of the cool things he had when he was in the Army. I can still remember him giving me his Army coat and I wore that thing for years and years. The darn thing never was that warm but it sure was a neat coat.

My love for Vince and the rest of you can never be measured but only known by myself. It is a love that will always be there and never extinguished by no one.

I cherish the day that I get to walk through the gates of heaven knowing one of the first persons I will be looking up will be my Uncle Vince.

Take care Lucy, Joan, John, and Lucy Ann and I love you all.

“ Dearest Lucy, children, and grand-children:

My heart is heavy with news of your loss. May memories of 38 years together sustain you in your grief. I treasure memory of our polka festival trips to Wichita. He was a warm, compassionate, and caring person during our working with him in our of business. The children remember him and send thier prayers and condolences also. Remember, it is not the duration of our life, but our donation to our loved ones and friends. God be with you and your family.
