“ *So sorry to read about Lee's death. We both worked for Wentz Equipment, a competitor. Saw Lee at many KLICA conventions and always enjoyed him.*

“ *Julie and Family,*

I am so sorry for your loss. I remember the good-old-days when you had your mustang, we hung out, and life was simple. Your mom and dad were the best. I loved being at your house, (except when Josh would bother us :). I have thought of all of you often and missed you. My thoughts and prayers are will you all.

*Love,
Janet*
