“ Condolences to the Manteuffel family. I worked for FHSU at the Gross the Memorial Coliseum Complex in the late 1970's. I eventual stopped working at FHSU and started working for another state agency. I had just started with the other state agency and had previously asked Mr. Manteuffel for advice during my transition. Mr. Manteuffel made everything seamless, and like a walk in the park. As usual he was a stand up, hard working and honest person. Rest In Peace.
