“ *It is with sadness that I learned of Wanda's passing. She and I attended 1st grade at Myersdale, one room school, east of Wakefield. Whenever we met I reminded her of my embarrassment about peddling her on the back of my tricycle singing "A Bicycle Built for Two" at a school program. She moved away and then we attended Wakefield High School and had many good times and met at the 50th reunion where we talked the good old days. She was always a good and honorable person who will be missed.*

“ *Wanda was a great woman and a good friend. Our joke was always if we had a dime for every envelope and stamp we licked we would be rich women. If someone needed help you could always count on Wanda to be there and Shirley not far behind. We have shared many laughs and many tears. I am deeply sorry for your loss.*
