“ Although Wayne was my cousin, he always felt like an Uncle instead. When we lived in Kansas (now in Oregon), our family always loved to visit their family farm. Wayne had a love for planes and a few years ago, my husband and I had the privilege of Wayne and Twila, and cousin Alva May (his sister) and her husband, Bill flying to Oregon to spend a week with his cousins. It was a wonderful time to get reacquainted with him. We took him to see the Spruce Goose plane in a museum about 30 miles from our home. He was like a child with a new toy when he actually got in the plane and set in the pilot seat. Those memories and many more will always help us as when Wayne enters our hearts once again. He is with his Lord and his wonderful wife, Twila. We in Oregon will miss him very much.

“ I had the privilege of being the Clines' pastor for 8 years (1977-1985), though in truth they were often my family's pastoral support as well. Wayne was kind, gentle, incredibly faithful, and immensely proud of his family. We were so happy to reconnect with him after we returned to Topeka in 2007. We miss him ... but are glad he and Twila are reunited. Rest in God, dear friend! -- Paxton and Janie Jones

“ Wayne (and Twila) were such caring and loving people. We were so blessed to have them as part of our church family at Highland Heights. Wayne always knew just what to say, and how to bring people together. He was a shining example of Christ’s love. He had a very special place in our hearts! Reva and Walt Wywadis, and Doris Williams

“ We are keeping you all in our prayers as it is hard to lose your loved one on this earth. Then again it is a joy to know that we will all see him again! I, Judy, will always think of how much he loved the Lord and was truly never ashamed to say so! What an example he set for so many! I think of the verse , The fervent prayer of a righteous man availeth much! His prayers at the many get togethers were so good to hear! His smile infectious! Love you all. This is a picture of Wayne this past Christmas. I, Richard, want to say Wayne was a great brother-in-law and I am glad I have known him my whole life. He will be greatly missed. “ Wayne was a great guy in so many ways. I had the privilege of singing with him in a quartet for awhile. He was good-natured, caring, strong and gentle, unpretentiously intelligent, wise and humble. That combination of character qualities is rare in one person, such as I wish were mine to the same degree. I have no doubt that others had the same impression of Wayne as I did. The picture featured here reminds me of Wayne's infectious smile. The Apostle Paul wrote, "We are saved in hope," because physical death is an enemy yet to be destroyed. Thus, while Wayne has passed into the "better-by-far"-presence of Christ, you who remain experience the irreplaceable loss of a good father, a beloved brother, and favorite grand or great-grand dad. It would not be so, were he not so upright, gracious, and playfully-wise. May God comfort you with the many good memories you have of him. -- John Gould

“ I met the Colonel when I started working at Bldg 605 as the unit clerk for 137th Trans. I'd get sent on missions and need to staff car, he always had the keys. I got to saying, “ Hey, Dad, can I have the keys to the car?”
He was a great guy, mentor and friend. He will be missed.

“ My earliest memories of Wayne were when he and Twila took me under their wing during the family reunion trip to Germany in 1981. Wayne and I hit it off and talked about many things including his service in the National Guard. He is pretty much responsible for my Army Reserve career including when he commissioned me as a brand new second lieutenant out of the Kansas State University ROTC program.

I found this picture of Wayne and Twila dancing during the trip to Germany.

I have so many fond memories of Wayne. He was such a role model for me. Debbie and I send our thoughts and prayers to the family.

“ I was privileged to be Lynda #2 in Wayne's life. He and Twila started coming to our Tuesday night Bible study a number of years ago at the invitation of their neighbors Earl & Naomi Hepworth. Wayne continued to come after Twila passed and then would come early to have dinner with us. He was like family to Ken and me. We will always remember his smile and his love for the LORD Jesus! Attached are pictures of his birthday pie last August and his last visit in our home with friends Ken & Joan Benjamin and Ray Ebberts.

“ A very sad day to hear of Wayne's passing. He will be missed by many who thought so very much of him as a great Army Aviator and friend. I had the pleasure of flying with him for many years. The best aviation supervisor ever.

Words cannot express how much I will miss him when I again travel to Kansas. Always a smile and hearty handshake when we would meet at the Kansas Guard Museum.

I was an Aviator with the Kansas National Guard for over 40 years. Never heard a bad work about Wayne as a fellow aviator and friend. My heart and prayer goes to all the family at this time. I live in Maryland - will be unable to attend his services due to the virus situation traveling via airlines. .

“ I'm remembering Wayne in the halls of Fredonia High with Twila my freshman year, driving four of us on a double date somewhere in Wilson County, in a flight suit climbing out of a helicopter, talking to Fredonia Homecoming crowd, making me an omelet on the farm, and greeting me at Bill Boicourt's funeral. In between, there were weddings, funerals, reunions, and visits. He was always jovial and full of life. Thinking of you all,

“ *Nothing but awesome memories of Uncle Wayne! That massive helicopter landing on the lawn in Fredonia one Homecoming parade when I was nine. I'm covering my ears, yet my chest is still thumping with the beat of the whirling helicopter blades. Like all the kids around the square, I'm squinting through the flying dirt and grass, not wanting to miss a moment. The rotors finally stop spinning, and Uncle Wayne steps out of the cockpit in his flight suit...and I simply could not believe (no way, no how) I could possibly be related to such a superhero.*

Lynda & family - Our hearts go out to each of you with Wayne's passing. Although it is never easy to say good-bye to a loved one, you definitely have the assurance that your "hello in Heaven" will be glorious! Isaiah 40:31 was stitched on Wayne's Bible cover. That verse means so much more now. We loved hearing his life stories. He would just beam as he reminisced about all of the good times - too many to count! May blessings abound in each of your faith journeys.
