“ *Lois: I will miss Bill. There was comfort with seeing him on his front porch watching over the neighborhood. I'll never forget the good times playing Uno. I will be thinking of you & my prayers are with you always. Come over anytime or call. Ann*

“ *Lois: Think of you often. So sorry to hear of your loss. We are thinking of you and May it help to ease the sorrow in your heart in some small way to know that sympathetic thoughts are there with you today and days to come. Thoughts and prayers are with you and your family during this time. May the love from family and God and friends help you through this sadness. From: Dan and Barb Bradley Auburn.Ks.*

“ Lois and Family, We all will miss Bill alot. I remember all the old times with Bill, i used to call over at the house and ask what bill was up to. He always was giving me a very hard time but from his heart. I looked up to Bill for help in a situation, or just whatever i talked to him about. We used to go fishing all the time and work on different things around the house and he would call and be like " Tony cna you come over for a quick minute and help me with this?" It always took more than a minute. I will not forget about Bill becasue he has had a big impact on my life and who I am today. I will miss him!!!

“ Lois and Family: I think you all know how greatly we are going to miss Bill. He was always there to try and convince me that I was always wrong and he was always right. He was there when I needed a helping hand never telling me "no". His friendship will be missed. He was our "neighborhood watch program". My thoughts and prayers are with you and the family.
