*My Dear "Willushka". My life will never be the same without you. Because you were everything to me. You were so loving, caring and supportive. I do not know anybody who can compare to you. We celebrated our 22nd wedding anniversary this year hoping for many more. We had many happy moments together. I was only jealous to one thing- your golf passion but I also knew it was bringing you a lot of joy. I know you are in Heaven now as people like you deserve the best. No pain anymore. You are playing golf with your buddy Johnny, walking with our dogs Sierra, Salsa and Valya. Rest in peace my "baby". Will love you forever!

“ To Bill's Family, or Billy as I knew him from childhood: I am so sorry for your loss and the hole this leaves in your hearts. I know he struggled, but he always seemed so cheerful when I'd see him. Those Kroll nephews meant a lot to my dad and I appreciate Bill & Joe taking him on car trips with them to Leavenworth. I promise to reach out and make a donation to the animal shelter in his memory. I know Bill would value that over flowers. Prayers to the family during this time of healing.
